Eutresis Excavation Records Finding-Aid

OVERVIEW

Accession Code: EXV-EUTRESIS
Title: Eutresis Excavation Records
Principal Dates: 1958-1960
Principal Language: English
Scope and Content: John L. Caskey, while Director at the American School of Classical Studies in Athens, led the reexamination of Eutresis in 1958 under the auspices of the School and at the invitation of Hetty Goldman who excavated the site in 1927. Elizabeth G. Caskey supervised part of the excavation and was responsible for the field notes.
Series (and subseries) in the Eutresis Excavation Records include: Excavation Records (Series I containing illustrative and photographic records) and Studies and Publications (Series II containing original manuscripts submitted for publication).
Access: The collection has been processed and is available only per written permission from the Director of Record of the Eutresis Excavations. Please contact the archivist for further information.
Citation: University of Cincinnati, Archives and Special Collections of the Department of Classics, Eutresis Excavation Records
Notes (1): For additional information about the Eutresis excavations, see also the collections in the Archives of the American School of Classical Studies in Athens.
