

Keos/Kea (Caskey) Excavation Records Finding-Aid

Overview

Accession Code: EXV-KEOS/KEA (CASKEY)

Principal Creators: John L. Caskey (1908-1981), Elizabeth M. Schofield (1935-2005), Jack L. Davis, and Elizabeth Tucker Blackburn (1936-2025)

Title: Keos/Kea (Caskey) Excavation Records

Principal Dates: 1960-1970, 1981-2005

Principal Language: English

Scope and Content: John L. Caskey led excavations on the island of Keos/Kea at the sites of Ayia Irini and Kephala from 1960-1970 under the auspices of both the University of Cincinnati and of the American School of Classical Studies in Athens. Investigation of the site and excavated material continued under the direction of Elizabeth M. Schofield until 1987.

Series (and subseries) in the Keos/Kea (Caskey) Excavation Records include: Administrative Records and Correspondence (Series I containing permits and grants; correspondence; material permission requests; director's notebooks and guest notebooks; and excavation accounts), Excavation Records (Series II containing notebooks; finds records; illustrative and photographic records; unpublished reports/records; and other excavation records), Studies and Publications (Series III containing publication plans and assignments; manuscripts submitted for publication; specialist studies; other records related to studies and publications), Series Publications (Series IV containing correspondence regarding Keos I-X, records related to Keos I-X, manuscripts of Keos I-X, and illustrative and photographic records for Keos I-X), Other Records (Series V), and Artifactual Materials (Series VI containing samples).

Access: The collection is in process but is available as is only per written permission from the Director of Record of the Keos/Kea Excavations. Please contact the archivist for further information.

Citation: University of Cincinnati, Archives and Special Collections of the Department of Classics, Keos/Kea (Caskey) Excavation Records

Notes (1): For additional information about the Keos/Kea excavations, see also the collections in the Archives of the American School of Classical Studies in Athens (the Archives in general are here while the Keos/Kea Excavations Finding-Aid is here).

Notes (2): Standards applied in the finding-aid conform to DACS (2013, revised March 2015 and posted here).
