

Kea Survey Records Finding-Aid

Overview

Accession Code: SUV-KEOS/KEA

Principal Creators: Jack L. Davis and John F. Cherry

Title: Keos/Kea Survey Records

Principal Dates: 1980-1981, 1983-1987

Principal Language: English

Scope and Content: The Keos/Kea Survey was a multifaceted project organized by Jack L. Davis and John F. Cherry in 1983. Co-directed by Eleni Mantzourani and conducted under the auspices of the American School of Classical Studies in Athens, the project applied intensive archaeological surface survey techniques to portions of the island of Keos/Kea for the purposes of documenting and explaining changes in the history of prehistoric and historic settlement and land use. The surrounding natural environment was also investigated.

Series in the Keos/Kea Survey Records include: Administrative Records and Correspondence (Series I containing permits and grants; correspondence), Survey Records (Series II containing notebooks; forms and find records; illustrative and photographic records), Studies and Publications (Series III containing other records related to studies and publications), Other Records (Series IV), and Artifactual Materials (Series V containing samples).

Access: The collection has been processed. Please contact the archivist for further information.

Citation: University of Cincinnati, Archives and Special Collections of the Department of Classics, Keos/Kea Survey Records
