Invoices for 1997 subscription renewals are distributed to current NESTOR subscribers along with this issue (see the enclosed green flyer). We must remind our international subscribers that NESTOR raised its overseas rates on July 1st, 1996 to reflect increased postage costs. Current rates:

US Individuals	\$7.50
International Individuals (surface mail)	\$10.00
(air mail)	\$16.00
US Institutions	\$12.50
International Institutions	\$18.50

The invoices also show unpaid dues from previous years. Unfortunately, we must delete from our mailing list subscribers who still owe 1996 payments. Help keep NESTOR viable; please pay promptly. Please include address changes on the invoice when you send your renewal payment.

Please find included in this issue the Volume 23 cover page and the 1996 index, to which we have added a list of review authors in addition to authors of books/articles and of books reviewed.

Correction: In the November 1996 issue of NESTOR, entry **§960897** should read as follows:

Mueller, W, ed. 1995. *Sceaux minoens et myceniens*, Corpus der Minoischen und Mykenischen Siegel, Beiheft 5, Berlin: Gebr. Mann.

Friedrich Matz was erroneously listed as the author of the volume, when in fact he founded the series of which this volume is a part. Our apologies for the error.
