Obituaries

The editors of *Nestor* are saddened to report the death of Ione Mylonas Shear. An authority on Mycenaean domestic architecture, Dr. Shear had in the past decade explored the connections between Homeric narratives and Mycenaean institutions, including most recently *Kingship in the Mycenaean World and Its Reflections in the Oral Tradition* (§050032.)

The editors of *Nestor* are saddened to report the death of Günter Neumann of the University of Würzburg. Professor Neumann was a distinguished scholar in the field of Cypriot syllabic epigraphy and published extensively on other languages within the chronological and geographic scope of *Nestor*, including the Phaistos disc, 'Hieroglyphic' Cretan, Linear A, and Linear B.
