## COMMUNICATIONS

### From the Editor

I thank once again the librarians of the John Miller Burnam Classics Library at the University of Cincinnati — Rebecka Lindau, Michael Braunlin, and Shannan Stewart — for their unstinting efforts and apparently infinite patience supplying me and other library users with access to books and journals through this unusual year. I wish the best possible summer to *Nestor* readers and database users, and hope to see you, possibly even in person at some venues, during the next academic year.
