Grants and Fellowships

Publication Team Grant applications are available from the **Institute for Aegean Prehistory (INSTAP)**. There is no specific deadline for this class of application; please apply at least 2 months or more prior to the start date. Excavation directors may apply for technical archaeological services for preparation of their publications. Projects that are finished with excavation and are preparing material for publication are eligible. Further information and applications are available at <http://www.aegeanprehistory.net/downloads/2022-Application-INSTAP-Publication-Team-Grant%2012-20-22.pdf>.

On 15 March 2024 applications are due for both the **Margo Tytus Visiting Scholars Program** and the **Cincinnati Summer Residency Program** for 2024-2025. Applicants for the Margo Tytus Visiting Scholars Program will ordinarily be a minimum of five years beyond receipt of the PhD, with notable publication histories, who are expected to be in residence at the University of Cincinnati for one semester (ca. four months). Tytus Scholars receive a monthly stipend of \$1,500 plus housing near campus and a transportation allowance, as well as office space attached to the Burnam Classics Library.

Applicants for the Cincinnati Summer Residency program are scholars who would benefit from the use of a world-class classics library with their Ph.D. in hand by the time of application, and will ordinarily be in residence at the University of Cincinnati for approximately two months in the summer terms, May to mid-August. Cincinnati Summer Residents receive housing near campus and office space attached to the Burnam Classics Library. Further information and application forms are available at <https://classics.uc.edu/departments/classics/tytus>.

Calls for Papers

On 20 August 2023 proposals for sessions (1000 words) are due for the **51st Annual Conference of Computer Applications and Quantitative Methods in Archaeology (CAA 2024): Across the Horizon**, to be held on 8-12 April 2024 in Auckland, New Zealand. From 11 September through 9 October 2023 the call for papers, posters, and workshops will be open. Further information is available at <https://2024.caaconference.org/>.

On 30 August 2023 abstracts (300–500) are due for a conference entitled **Perfume Production in the Ancient World**, to be held on 6-8 November 2023 in Prague, Czechia. Further information is available at <https://www.alchemiesofscent.org/conference-2023>.

On 31 August 2023 abstracts (250 words maximum) are due for the **National Student Archaeology Conference (NASC 2023): Intersectionality**, to be held in hybrid format on 22-24 September 2023 at the University of Melbourne. Further information is available at <https://www.nascaustralia.com/>.

On 30 October 2023 abstracts (250 words plus 2 figures) are due for the conference **In Poseidons Realm XXIX: The cultural heritage at and in Lake Constance**, to be held on 8-12 May 2024 at the Vorarlberg Museum in Bregenz, Austria; as with all IPR conferences, contributions from all areas of research on underwater archaeology and heritage are welcome. Further information is available at <http://www.deguwa.org/>.

Future Lectures and Conferences

On 30 August - 2 September 2023 the **29th Annual Meeting of the European Association of Archaeologists: Weaving Narratives (EAA 2023)** will be held in Belfast, Northern Ireland. Further information is available at <https://www.e-a-a.org/EAA2023>. Based on the preliminary program, papers and posters of interest to *Nestor* readers will include:

- D. J. Fallu, "The Geoarchaeology of a Bronze Age Aegean Engineered Agricultural Landscape at Choiromandres, Eastern Crete"
- A. Zanescu, "Accuracy, not Authenticity: How Assassin's Creed Odyssey Leverages Archaeology for Resonance"
- T. Moutsiou, "Settling the Eastern Mediterranean islands: Persisting narratives of hunter-gatherer marginality and the case of Cyprus"
- S. Menelaou, "'It's a matter of perspective': deciphering marginality between the Aegean Sea and Anatolia through a diachronic approach"
- C. Papoulia, "On routes, tools and sea-vessels: the 'SeaROOTS 2022-2024' project"
- T. Strasser, "Seasonality on an Inhospitable Island: The Asphendou Cave Petroglyphs"
- I. Nakas, "The galley culture of the Aegean from the Late Bronze to the Early Iron Age"
- D. Gal, "Potential Sailing Mobility in the Late Bronze and Early Iron Ages in the Eastern Mediterranean: Inter-regional Challenges and Intra-regional Opportunities"
